TRICOR exists to provide occupational and life skills training for Tennessee's incarcerated population through job training, program opportunities, and transitional services designed to assist Offenders with a successful reintegration into society. TRICOR operates multiple businesses ranging from data entry and printing to agriculture and manufacturing. TRICOR offers Tennessee's state, county and local government's quality goods and services and competitive pricing.

TRICOR transforms lives on a daily basis. TRICOR designs programs to make an impact on the lives of offenders and prepare them for success after release.

TRICOR is committed to continuous performance improvement, which enhances the impact it has on the offender workforce by making them a critical part of a team driven by internationally-recognized high performance standards. To accomplish this, TRICOR uses the Malcolm Baldrige Framework and participates in the Tennessee Center of Performance Excellence (TNCPE) process. TNCPE, a non-profit organization dedicated to making Tennessee a better place to live and work through use of the national Baldrige Excellence Framework, has provided TRICOR with the tools and development necessary to move our organization toward best in class status. Our involvement has not only strengthened our business and program operations, but is providing our offender workforce the opportunity to work and develop their skills in an environment, which prepares them to achieve self-sufficiency once released from prison.
